Coated Abrasives

BC2
(Aluminium Oxide paper sheets)

- Abrasive: Aluminium Oxide
- Backing Material: Light paper
- Economy product
- For use on paint, soft wood, and varnish

PREMIER RED

P37C
(heat-treated aluminium oxide reinforced light paper)

- Abrasive: Heat treated aluminium oxide abrasive
- Backing: B-weight, latex reinforced paper
- Special stearate layer anticlogging
- Faster cut rate and longer life

flexovit

Coated Abrasives

KJ313 (aluminium oxide, flexible cloth)

- Abrasive: Aluminium oxide
- Backing Material: Flexible cotton
- Flexible
- Quality product and competitive price
- Ideal for hand sanding applications

KF271 (technical aluminium oxide cloth)

- Abrasive: Aluminium oxide
- Backing Material: Flexible cotton
- Ideal for sanding profiled surfaces
- Flexible
- For use on wood, and metal (derusting or light finishing)
